

I, a Traveler,

I am feeling warm, relaxed, and full of gratitude as I sink my bare feet into the warm sand at this seashore, in a land in a far away country. I am celebrating the journeys that have allowed me to travel far and wide. I know I have come a long way from where I began.

I have seen the wonders of the world with my own eyes, and I am enjoying the thrill of travelling on my own and recording the stories of my adventures.

I am focused, flowing, and fulfilled in my journeys, which are both physical and spiritual.

I am growing in confidence every day and learning new routes and pathways to travel and living.

I am feeling exhilarated and alive, and I am filled with ideas for where I could go next.

All routes and pathways are open to me, and if a door closes, I am confident in my abilities to find another way to reach my destination.

I trust that with each destination I will find a new adventure, and new places to explore.

I am ready and receptive to new ideas and thrilled by the events in my life.
