To Whom It May Concern

On [insert date], I was given Permanent Residency. Nonetheless, I am now applying for naturalization as a United States citizen. For the past 5 years, I have had continuous testable permanent residency in the United States. For the last 30 months, I've even been physically active in the United States. Please find the required supporting documentation for your naturalization application enclosed.

1. Form G-1450 [Authorization for Credit Card Transactions];
2. Form N-400, Application for Naturalization;
3. Form G-1145, E-Notification of Application/Petition Acceptance;
4. Photocopies of front and back of Permanent Resident Card, A-Number

I hereby request that my Naturalization Application be processed as quickly as possible by this agency. If you have any questions or suggestions, please contact me at [insert address]. Thank you so much for taking the time to read about my situation and for your compassion.

Respectfully Submitted,
