Subject: Expressing gratitude for the scholarship

Dear Hepburn Film Foundation Committee,

I'm writing this letter to express my sincere gratitude for having been considered and selected for the [name of the scholarship program] 2021. I'm thrilled about this opportunity that you have extended to me.

I have enrolled in the undergraduate studies for Film Studies at the University of California, Los Angeles. With your generous contribution, I would get to focus more on my studies without having to worry about funding it through multiple part-time jobs. My plan, going forward, is to establish a successful career in the film industry, and I believe that your support will help me get there.

Films had always fascinated me growing up, which only deepened when we had a play enactment in grade 5 where I had to be the director. Since then, I have been dreaming of getting into UCA, Los Angeles, for its film studies program. In the future, I will pursue a career as a director. I would like to thank you, once again, for your support.

Sincerely,
