Subject: Thank You For Referring My Name To Your Patient

Respected [Dr.] [Recipient's Name],

I am writing this letter to express my gratitude to you. Thank you for referring my name to your patient for eye treatment. You could have referred any other doctor's name to your patient but you referred me. This shows the immense trust you have in me and I assure you that I will live up to your expectation.

My clinic will take good care of the patient and provide the best eye treatment services to the patient. Again thank you for referring my name to the patient. If you have any other patients who are looking for similar services, please feel free to contact me. I am enclosing my contact number so that you can call me.

Regards,
