

MAIL to SELF

Dear recruitment committee,

Every year, as members of King's fraternity, we must ensure that we attract the best students possible into our fraternity. Concerning this commitment, I'd like to suggest a new candidate. James Ross is his name.

Mr. Ross is someone I've known for over three years. We've known each other since we were in high school, when I was a year ahead of him.

Mr. Ross has always struck me as a determined and principled young man. In this regard, I strongly urge him to join our fraternity. He is devoted to his family, colleagues, and leadership, and I am certain that his contributions to our fraternity will not go unnoticed.

Thank you for taking the time to read this.

Herbert Kelly King's Fraternity Secretary
