

Dear \_\_\_\_\_,

I deeply appreciate your generosity as the recipient of the \_\_\_\_\_ Scholarship and take this opportunity to thank you for the financial assistance.

I already have a degree from \_\_\_\_\_ University/College in \_\_\_\_\_. However, I made up my mind to quit my job and come back to school to follow my dream of becoming a nurse. The decision was a tough one and meant a lot of sacrifices from my end. However, I am confident that eventually, my personal and career satisfaction will be much more.

I have plans to earn my Doctor of Nursing Practice degree in the future and work with patients in a community setting. You will be glad to know I am particularly interested to provide care to the aged and helping them with their complex health issues.

I would once again like to thank you for this precious gift. The scholarship has helped to reduce some of my financial constraints as I strive towards my personal and professional goals.

Sincerely,

[Your Name]
