*Subject: Sincere Gratitude For The Mentorship*

*Respected Ms. [Recipient's Name],*

*Thank you for your support and guidance. I can confidently say that I have developed my skills because of your guidance. Your exemplary teaching has helped in expanding my knowledge and developing my practical skills. In fact, the practical knowledge and skills that you have taught would certainly benefit my career as a clinical practitioner.*

*I also appreciate you for helping me out with challenges whenever I was performing clinical experiments. You gave me the confidence and shared some tricks to face these challenges which will help me in the future as well. I thank you again for being such a wonderful mentor and feel privileged to learn from such an experienced and distinguished clinical practitioner. I am looking forward to meeting you in person at the earliest.*

*Yours truly,*
