**Dear Prof Aaron Boesenecker,**

I am Linda Aouine, a final-year student at the School of International Service, American University. Sir, I hope you recall my last email in which I had requested for a letter of recommendation for a fellowship program. If you can recall I had met you at the department and shared all the necessary details with you.

Sir, the deadline for applying to this program is 5 June 2021. May I request you to kindly issue me this letter latest by 30 May 2021?

**Yours Sincerely**

Linda Aouine
