Subject: I have more questions. Can you answer them?

Hi [First Name],

Hope this email finds you well. It was wonderful to connect with you at [event name]. I was looking for someone within the [name of the industry] industry to explain how [name of the job] works and what work the position entails. Thank you for patiently answering my questions and explaining them to me.

I read more about the [name of the job] and realized I wanted to pursue a career as a [professional in the job- ex: editor, engineer, etc]. Post my research, I seem to have more questions about how to get started in the field. I would like to discuss them with you through a call or a meeting. Is that something you would be comfortable with? Let me know.

If you can connect me with a contact that can help in my journey, that would be great too. Once again, I'm grateful for the insights you shared at [event name]. I hope to see you again.
