

### 3. Thank you email for feedback

Subject: Would appreciate your feedback on [project name]

Hi [First Name],

It was wonderful meeting you at [event name]. I am glad we were able to connect and share insights. I think your experience and influence in the industry is in alignment with a project I have been working on. Would you like to look at [project name] and share your thoughts?

I realize that you must have other engagements and commitments. But could you take some time to review [project name]? I would really appreciate your inputs on this project. In particular, I would like your feedback on the following areas:

[List the areas in bullet points]

Since you have a busy schedule, perhaps we can discuss this real quick over a meeting or a call. Is this something you would like to do? Please let me know.

Once again, I'm grateful for your great insights at [event name]. Thanks in advance for your time and input.
