(Attendee's Name)

I cannot thank you enough for attending the event at such short notice. I am much obliged for your contribution to the event. You made all the arrangement and the result was impeccable. As always you are party planner like no one else.

I would use this medium to thank you for entertaining the guests. You have the snack of making everyone feel comfortable. Everyone has been raving about your contribution ever since. I really appreciate you took the time to work on every detail. It is no wonder that you were a celebrity at my event.

I hope you are always a part of my life forever. I cannot thank you for going all out and making this a memorable experience that I will never forget. Your presence on this special night has made it unforgettable. I have had a great time and keep playing the event over and over in my head.

I do not have words to express my gratitude but look forward to organizing one of your events in the future. I hope you will extend me this honor and let me surprise you.
