*Dear Mr. Peterson,*

I appreciate and thank you once again for recommending me to Stevedores and Sons Private Limited for the Assistant Account Manager spot! I applied for the work this morning at their Montreal office at Mrs. Jane Sullivan, Human Resources, and Ms. Lorraine Grey, Executive Manager.

The interviews progressed great, and I appreciated the option to improve much about Mr. Thomas Hopkins, Founder, and MD. I'm excited about the next phase in the recruiting process.

I thank you again for the help and your assistance with the job.

Regards

Thom Yolanda
