Subject line: Thank You For Being A Great Professor

Sir/Madam

Sir, I would like this opportunity to specially thank you for your guidance and support throughout college. Thank you for sponsoring my scholarship, making me ace my semesters . You have always made the most incomprehensible and abstract seem effortless. If it were not you, I would have been able to put to use my knowledge to practical use. You gave me the opportunity to learn how it works in the world and it was an invaluable experience. I am thankful for your support immensely and thank you for the scholarship.

I would specifically like to thank you for taking time to discuss my career options when I completely rudderless. Your intellectual depth, analytical thinking and critical appraisal has set me tune my way of thinking and work. I learned the value of your insights when I was workingman internship. You have shaped my thinking profoundly and helped me enter the corporate world with confidence.

I appreciate everything that you have done for me and look forward to seeing you more often.

Sincerely

Student (your name)
