

Dear Father,

We are highly grateful for your huge contributions of \$2500 on 25 January 2020.

We are willing to establish a charity program in your presence as a thank to backers like you.

Support has recently been allocated to the Children's education and relief Fund and Young mothers Nutrition Funds.

We are grateful for your generosity and look forward to seeing if God can do something in the future.

In the name of the Lord,

(Your Name)
