

To Ms. \_\_\_\_\_ (Name of the teacher),

I would like to thank you for being such a wonderful teacher. No matter how busy you were with your day at school, you would certainly take out the time for me if I needed some help from you. Thank you for that.

I always enjoyed your classes. Whenever I had a problem with regard to the Math subject, you would always take the time out after school hours and help in solving my problems. I am sincerely grateful for the time you have taken out for me. Thank you for being my teacher.

Yours sincerely,

(Your name)
