

Dear \_\_\_\_\_,

*Sending good wishes and big congratulations to the parents of the bride! I am writing this to thank you from the bottom of my heart for hosting such a beautiful wedding for you loving daughter. Right from the décor, the music to food – everything was beyond perfect. It's your effort and support that made this wedding such a great one.*

*Getting your daughter married can get overwhelming. But both of you managed everything with such ease and style. It was a beautiful wedding, with everyone having such a fun time. You both deserve a big applause for making \_\_\_\_\_ and \_\_\_\_\_'s wedding day so memorable. It's a day that everyone will remember for the rest of their lives. Without your unconditional love, the wedding day would not have been the same.*

*Your daughter is an amazing woman who is now married to an equally wonderful man. I wish all the best to the new couple and pray for their eternal happiness together.*

*Yours lovingly,*
