

Dear \_\_\_\_\_ (Patient's Full Name)

We hope that you are doing well. We would like to give our deep appreciation for choosing our procedure to treat your ailments. In fact, you were one of the few patients that were calm and composed all along the surgery which made our job easy. Thank you for that.

Please feel free to recommend our services to your loved ones and friends. If you have any questions, we would love to hear from you. My contact number is \_\_\_\_\_ (Contact Number).

Sincerely,

Dr. \_\_\_\_\_ (Your Full Name)
