

Dear

Sir/Madam,

Thank you for giving me an opportunity to learn as an intern in your esteemed organization (company name). This internship has been a wonderful work experience for me and has allowed me to understand what lies ahead in my career path.

I have had the privilege to work with the best teams in marketing, sales, and digital promotion division. Their advice, experience, guidance, will always stay with me, as I will step out to the real world for new opportunities. These past six months have been truly valuable, where I was able to gain knowledge and get a hands-on experience of the corporate world.

Please extend my appreciation and gratitude to the entire team. I shall forever be grateful for this internship offer and will look forward to any future associations with the company.

Thanking you.

Yours faithfully,

(your name)
