Subject: Expressing gratitude for the loan approval

Dear Ruth,

I just received my loan approval letter, and I have only you to thank for this. When I visited your bank for the first time, I was clueless about the process and the only thing I knew was that I needed money. You took the time to patiently explain the entire process in simpler terms. I would like to express my sincere gratitude for this kind gesture of yours.

Today, I got approved for the loan because you helped me through every step of the process. With this money, I would be buying myself a sewing machine. Being a tailor has been my professional goal since my teenage years. Now, at 45, I am finally able to live my dreams, and it is because of you. I will forever be grateful for this.

As per the terms, I will be paying my loan back as soon as I start my sewing shop. Once again, thank you for your kindness.

Yours sincerely,

Mary A McWhorter
