

Dear [Name],

Thank you for being a wonderful bridesmaid and making my wedding day extra special! I can't imagine saying 'I do' without you being by my side. We've known each other since school days and our bond is very precious to me. Remember when we said we'd be each others' bridesmaids in third grade? Haha, seems like it came true indeed! You have always stood by my side, supported me, and helped me sail through the most difficult times, be it university or my wedding. You were always there for me when I needed you the most and my special day wouldn't have been complete without you. Thank you for being my bestie.

Much love,

[Your name]
