

Date:

Dear Daddy,

**You are appreciated!**

You were the only person who accepted my introvert and shy nature and never asked me to change. When everyone else around me suggested me to come out of my shell, you were the only one who inspired me to be myself and enjoy being ME. I cannot put in words how much of a positive impact it had on me.

Thanks, Dad for believing in me.

With lots and lots of love,

Your Son
