

To your aunt for helping with college finance

Dear aunt (name),

I hope you are keeping well. I am writing this letter to extend my gratitude for your kind act of funding my college education.

You have known me since I was a child, and have always remained supportive of me following my dreams and passion, even if it seemed far away. You saw potential in me and helped me achieve my goal of getting into my dream college (name), something I could only ever imagine coming true.

You have been by my family's side through thick and thin and were always there to pull us through when times seemed tough. Your support cannot ever be repaid by us. I can only hope to one day be able to pay you back for even a fraction of what you have done for us. I will forever remember your kindness and benevolence in helping me obtain my education and will make sure to make my family and you proud.

Please accept my heartfelt gratitude.

Yours sincerely,

Your niece
