

Writing a thank you letter to a mailman when they delivered parcels to you on a difficult day

Dear (Name),

(Name of Postal Service)

Recently, even though the weather wasn't good, you still delivered my parcels to me. I really needed to receive my parcels at that date, which is why I am so happy that you delivered them on time. Thank you for braving the difficult road conditions that day, to deliver my parcels to me. I would like you to know how grateful I am to you, and how much I value your essential service.

Yours Truly,
