

*Dearest mom in law,*

*Thank you for making our wedding day so much special with your loving presence. I wanted to let you know that you are more than just my mom in law. You've been there whenever I needed you and supported me with all my decisions. You've not only helped me know your son better, but also made me a part of your family in such a short time.*

*I am blessed to have you in my life. I know you're the first person I'll turn to whenever I need any help juggling with family and work. You're a role model for everyone around you, and I hope to learn so much from your experiences and skills.*

*Today we are all set to start a new chapter of our lives, and all I ask from you is your blessings and wishes. Thank you for being our source of strength and joy!*

*Yours sincerely,*
