

Dear \_\_\_\_\_,

*My heart outpours with joy to have you with us on our big day. Loving your son also brought me the love of another mother. I take this opportunity to thank you for each and everything you've done to make our lives all the more beautiful.*

*I am so touched by the care and love you've given me over these months. I have simply no words to tell you how much I value your presence in my life. It's a blessing to have a mother in law like you.*

*Today, as I am all set to walk down the aisle and take the hand of your son, I feel the luckiest to be a part of your family. Thank you for holding together everything so beautifully. Your strength and kindness is something that I'll always strive for.*

*Lots of love!*

*Yours truly, \_\_\_\_\_*
