Dear Brother's Name,

I am writing this letter to thank you for making my birthday amazing. Thanks for throwing such a great party for your little sister. Everything, starting from the invites to the party, was magical. All my friends loved it and asked me to thank you for organizing everything so well.

You are an amazing brother and you prove this by doing all the small things for me everyday. Thank you for maintaining the tradition of throwing the best birthday parties for me for years.

You are the best brother I could have asked for. From pampering me with the best gifts to scolding me for not being serious with my studies, you do it all. With this letter, I am adding a small gift for you. I hope you like it.

Yours Lovingly,

XYZ (Sender's Name)
