Dear Mom,

Hello mom, hope you are doing great. Today, I am writing to thank you for being an amazing mom and the greatest best friend. I want to remind you of how special you are. Since childhood till now, you have always been my greatest friend. You have made our relationship so effortless that I do not feel any hesitation in sharing about my personal life with you. You have been my rock.

While most people struggle to talk to their parents, I can truly come to you and say anything I feel like sharing. You always listen to me and understand me. Thanks for being so gracious and for being the best mom. I know that never in my life will I ever feel friendless because I have you with me. I do not have to find a best friend in anyone else because you already are my best friend. From helping me with my homework to talking about my crushes, you have never judged me. Thank you for being the greatest mom. I love you till eternity.

Yours Lovingly,

ABC (Your Name)
