Dear Mom,

You have always been a great support for me. I want to thank you for always supporting me in every decision I made. You have contributed to my life in more ways than one. When I look at the times you have faced, I feel like you are one of the strongest women on this earth. You know how to make others happy even while going through your struggles.

Thank you for always making sure that I am happy and satisfied with my life. I remember the happiness on your face when I graduated from college. I want to tell you that it would not have been possible without your help. Your constant support and help in my life has made me reach the palace I am currently at. Thank you for your love and support throughout. I love you so much.

Yours Lovingly,

ABC (Your Name)
