

Dear Dr. ____

I am ____ who received treatment for ____ . I am so grateful for the unconditional care that you have given me over the years. You provided me with the best care available. When all hopes had gone, you showed came into my life like a blessing. I can never express my appreciation with mere words. (Write a personal moment that you enjoyed after you got cured). I will forever be grateful for the additional years of life that your care has allowed me to enjoy. Thank you from the bottom of my heart.

With love

(your name)
