

MAIL to SELF

Dear Mr. XYZ

(Company Name)

I hope that this letter finds you well. I don't know if you remember me, but my name is (Your Name) and I came to the showroom where you work on (Date). I just wanted to say thank you for helping me pick out the perfect car for my work needs. It's an amazing car and I couldn't have selected the right model without your help. You were articulate and precise with your words, and I got a better idea of what I actually needed. Initially, I was clueless about the car that I wanted to buy. Apart from that, you seemed like a really nice person. So, if you want to grab a drink sometime, just write back to me.
