Subject: Expressing gratitude for coaching

Dear coach Carson,

I, Lee Carter, write this letter to express sincere gratitude for your contribution in making me the athlete that I am today. Being an athlete has given me a lot of advantages including the development of teamwork and sportsman spirit. Today, it helps me greatly when I play volleyball for college.

Not only did being an accomplished athlete help me get a scholarship for university fees, it also made me a better person. I have only you to thank for this development. You have always guided me to be a better sportsperson and honed my hidden skills.

I will forever remember all the lessons you taught me, coach. Once again, thank you for all your guidance and support.

Yours Sincerely,

Lee Carter
