Subject: Expressing gratitude for coaching

Dear coach Henderson,

Today, I received the confirmation letter for having been drafted into the NBA junior team. I am thrilled about this opportunity but mostly grateful for your guidance that led me here. You were always there for me, pushing me forward to constantly improve my game. So, I write this letter to express my sincere gratitude for all the support that you have given me over the years.

Years ago, in high school, when you first started coaching me, I was a mediocre basketball player. Since then, you have slowly transformed me into the player I am today. You have been my confidant all these years, which has given me the strength to keep pursuing my dreams despite the constraints that I faced.

I remember times when you bought me meals and supplements because I couldn't afford it. Without your generous contribution and expert coaching, I wouldn't be here today. I, once again, thank you for all your kind gestures and support.

Yours Sincerely,

Tate Jackson
