Subject: Expressing gratitude for coaching

Dear coach Branson,

I'm Jonah Hillcrest, a student of yours in high school. I was one of the athletes you coached in Gregory High School. I hope you remember me. I haven't been able to keep in touch with you over the years; I apologize for that. Today has been a monumental day for me, and I felt I needed to express my gratitude for all your guidance through this letter.

In high school, you helped me become the athlete I am today. Without the support you had shown me during those years, I wouldn't have reached here. Today, I won a gold medal at the Olympics; did you watch me win? I hope you were proud of me if you recognized me. I certainly am proud and grateful that I was your student.

I would like to thank you for all the love you had shown me in high school and for pushing me harder to hone my skills.

Yours Sincerely,

Jonah Hillcrest
